TOMO DINING TABLE 300 2 BASES

COD.TOM 32C

The sculptural shapes combined with the light and aerial appearance give the unique perfection of the proportions to the TOMO table despite its decidedly important dimensions. A personality that is not limited to any style allows it to be combined with every type of chair, from the most classic to the most modern. Its nature does not allow to be locked up in any stylistic category except the one called work of art.
