BELLA FIGURA

Marina chandelier

CL63

Collection Name
HALCYON COLLECTION

Soaring high and gazing down upon the marinas of the world consistently reveals a design of systematic order. Sea-faring vessels harboured side by side in organised rows and a complete absence of chaos. As daylight falls there is a spectral glow upon the water in this scene, distorted and diffused. The two fundamentals of the Marina range: clean lines and an atmospheric, misted glow

Test Certification

UL (Underwriters Laboratories) test certificates available for the USA - will incur a surcharge
IEC (International Electrotechnical Commission) test certificates available - will incur a surcharge
