# Scandinavia 3 seater sofa

# Scandinavia

The Scandinavia sofa is a sofa classic designed by Glismand & Rüdiger. Its frame consists of solid wood from sustainable European forestry, while fabric cushions are upholstered on both sides, and the armrests have extra padding for superior comfort. Under the cushions you'll find an exclusive lining and a slightly elevated edge, which prevents the cushions from slipping off. The legs are available in several different materials and with two height options, while the cushions are available with both down and foam filling, and can be covered with wool, leather, velour or one of our numerous furniture fabrics. All resulting in a completely unique sofa, both in terms of production and appearance, and with a timeless quality that will be passed on through generations.
