Elton Sofa 3 seater

Elton

Elton, designed by Glismand & Rüdiger, is a beautiful and timeless series of sofas, poufs and daybeds. With its clean silhouette, surrounded by the slim oak frame, Elton rises above the ground and allows every tailored component and craftsmanship detail to be visibly exposed in its most honest form. The light 30 mm solid wooden frame seems to almost float, elevated underneath the inviting cushions. A contrasting and elegant design that is only made possible by the sofa's interior construction. Elton's interior is constructed with a special metal frame and fibreglass reinforced nylon slats, which lifts the furniture and ensures optimal comfort. The sofa has reversible back cushions, filled with the innovative Fossflakes, which is a hypoallergenic, down-like filling that keeps its shape longer than conventional down filling. Each of the sofa's components are interchangeable as the years progress, in order to extend the lifetime as far as possible.
