Bloom brings the elegance of a blossoming flower to the garden. With fluid lines inspired by the calla lily, this outdoor collection by DAAA Haus is designed to blend seamlessly with nature. The silicone diffuser softens the light, creating a warm, theatrical atmosphere in any open-air space, whether private or contract, enhancing every detail.

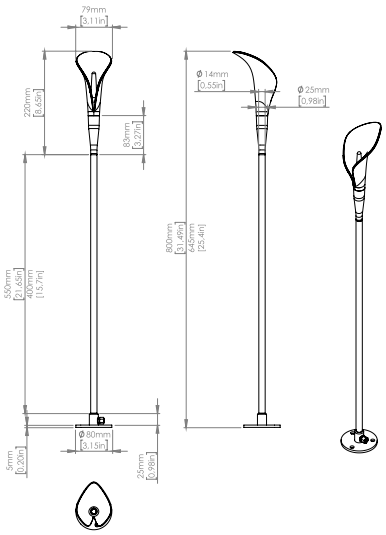

Bloom porta nei giardini l'eleganza di un fiore che sboccia. Con linee fluide ispirate alla calla, la collezione outdoor firmata DAAA Haus è pensata per fondersi con la natura.
Il diffusore in silicone ammorbidisce la luce, creando atmosfere avvolgenti e scenografiche in ogni spazio open air, sia privato che contract, valorizzando ogni dettaglio.
